

CATEGORY : Seals

Headquarter : 
Plants :   

I. HISTORY

Established in 2001. Specialized in manufacture of Bonded seals and Rubber-to-Metal Bonding Parts.

We manufacture various kinds of sealing products to Automotive, General Industry, Chemical , Sanitary & numerous industry

II. MAIN BUSINESS SEGMENTS & CUSTOMERS

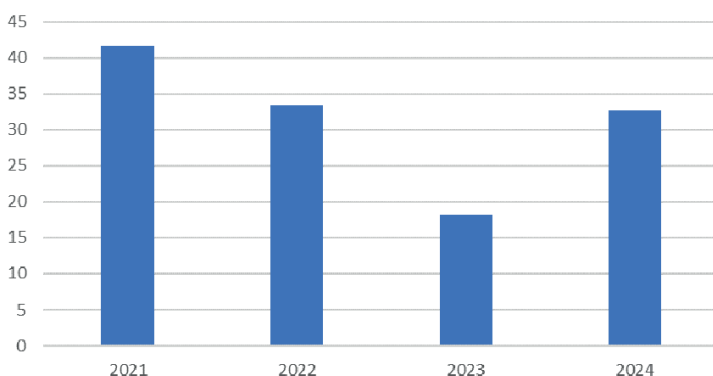

600 employees

32.8 M €

Turnover in M€

Main customers :

III. CAPACITIES

- RUBBER material:
 - FKM
 - NBR
 - EPDM
- Molded with METAL material :
 - Carbon steel
 - Stainless steel
 - Aluminium
- Surface treatment : PTFE coating,
Dry silicone film and MoS2 powder
- Clean room in China and Taiwan

IV. PROCESS

Compounding → Curing test → Sheeting → Cutting → Molding → Deflashing → Post curing → Quality insp.

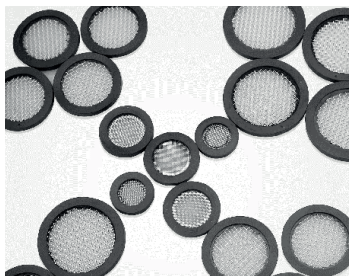

V. ORGANIZATION

1 plant in Taiwan, 1 plant in China and 1 plant in Thailand

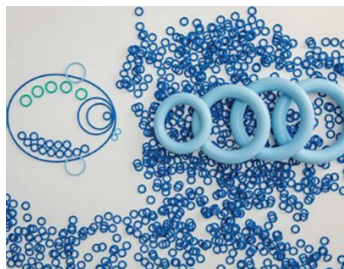

VII. CERTIFICATION

- IATF 16949:2016
- ISO 9001:2015

VIII. PRODUCTS

Filter Seals

O ring

Bonded Seals

Shaft seals
