In-House milling tool

Main customers :

Honeywell

Canon

SPIRIT
AEROSYSTEMS

GABERO

Continental

BorgWarner
dyson

IV. PROCESS

Raw material	
• Stainless steel	• Brass
• Aluminium	• Others
• Steel	

Turning
• Monospindle
• Multispindle CNC
• Milling and turn Mill machine

Secd.Op	
• Transfert machine	• Stamping
• Deburring	• Laser Cutting
• Grinding	• Sandblasting
• Lapping	• Polishing
• Honing	• Lapping
	• Honing

Heat & Surface treatment	
• Carburizing (*)	• Tumbling
• Plating	• DLC (*)
• Nitriding (*)	(*) = external

Cleaning-Assemblage - 100% QC	
• Cleanliness (with various type of washing lines)	• Air leakage test
• Class 100 cleanroom	• 100% QC inspection
	• Assembling

Packing
• Individual
• Bulk
• Shuttle packaging

V. ORGANIZATION

Malaysia : 3 plants - Thailand : 3 plants - China : 4 plants

V. ORGANIZATION

18 CMM machines - 100 % QC

VII. CERTIFICATION

- IATF 16949:2016
- ISO 9001:2015
- ISO 14001:2015

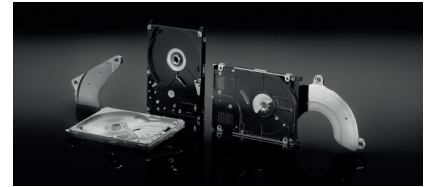

VIII. PRODUCTS

Aluminum Plungers

Camera Lense

Hard disk
